About Me
Welcome to my personal portfolio! I'm a 3rd-year Computer Engineering student who loves to do breadboarding, a little bit of coding, and logic design. I am also highly interested in robotics, Arduino, and making practical things work. I'm dedicated to developing innovative solutions and exploring the fascinating world of technology.
Education
Nursery - Kindergarten
Full Grace Christian School
Preparatory - Grade 8
Batangas College of Arts and Sciences
Grade 9 - Grade 10
De La Salle Lipa
College (1st Year - Present)
Course: Computer Engineering
Current Year: Third Year
University of Batangas, Lipa City
Technical Skills
Breadboarding & Circuit Design
Intermediate
Arduino Programming
Intermediate
Python / C++ / Java
Intermediate
Logic Design
Intermediate
